## ABSTRACT SUBMISSION GUIDELINES

### CALL FOR ABSTRACT

SUME 2018 welcomes your scientific work that will help all of us become better at what we do. We invite work from practitioners, teachers, administrators and others, including all health-related disciplines and all healthcare professions and non-healthcare professions, such as psychology, social sciences and education. We especially encourage students to apply.

You can select your submission to be considered for oral and e-poster presentation. However, the scientific committee will determine whether it will be presented as oral or poster presentations.

**Please read the abstract guidelines carefully.**

Second Period Submission	
Abstract submission deadline is	31 August 2018
Abstract acceptance notification is	7 September 2018

## ABSTRACT SUBMISSION AND SELECTION RULES

- All abstract must be submitted and presented in English.
- The abstract format is as follows:
  - a. Abstract from research: Title, Author(s), Affiliations, Background, Aims, Methods, Results, and Conclusion.
  - b. Abstract from original article: Title, Author(s), Affiliations, and one paragraph construction includes brief description of the paper and a summary of the key conclusions.
  - c. Abstract from case report: Title, Author(s), Affiliations, Background, Case, Discussion, and Conclusion.
- Name of authors(s), affiliation(s), and country of author(s) should be stated clearly.
- Abstract titles are written by Bold type and font Times New Romans 16pt, **not more than 20 words.** Titles of more than 20 words will be truncated. Type the title of the abstract in upper and lower case, using capitals only for the first word, acronyms and proper nouns.
- Abstract **should not exceed 300 words**, excluding the title and author(s) details. Subtitle and spaces between words are also not counted.
- When using abbreviations, spell the full name out on first mention and follow with the abbreviation in parentheses. Do not abbreviate compounds in the title of the abstract.
- Table, pictures, chart, diagram, or graphics must not be included in the abstract.
- Abstract that has been submitted will then be selected and reviewed by members of the scientific committee.
- Please ensure that your e-mail address is accurate at the time of submission. All correspondence will be sent via e-mail to the corresponding author.
- The corresponding author will receive an e-mail confirming that the submitted abstract has been received. Authors can also check on the review status of their submission.
